

September 12, 2022

This letter is to inform you that your child will be enrolled in a 7th hour. This 7th hour is held every Monday-Thursday from 2:45-3:45 in room 406. The class begins on September 19th. The class is on Edgenuity and your child will have access to the class 24 hours a day on any device. Your child will have until the end of the school year to complete this class. Infact, if they complete the class prior to the end of the semester, they are able to enroll in another course.

The 7th hour is given to students who are either behind for graduation or they have the potential for ending up behind for graduation. If they do not complete the class, they will receive an E and it will be on their report card and high school transcript at the end of this semester.

If you have any questions, please reach out ASAP to the counseling department.

Sincerely,
